Mrs. P. A. Helms

A New Neighbor

A little girl arrived at the Fleming Hospital, Monday, April 13, and gladdened the hearts and home of Mr. and Mrs. Grady Edwards and Shirley, she will answer to the name of Sharon Ann. Mother and baby came home Monday, and are doing fine. Shirley is very happy to have a sister.

Surprise Party

The Mr. and Mrs. Howard Wolff's residence was a merry place to be Friday night, April 24, as a few folks gathered to enjoy the evening in honor of Miss Nellie, who had a birthday the first part of the week but due to school work plans to surprise her were made for this night.

Games were played, music and songs were sung by those who would, then a lunch consisting of sandwiches, several kinds of cake, coffee and punch were served.

Present were Mr. and Mrs. Kermit Nygard and family, Mr. and Mrs. R. Smith and daughters, Mr. and Mrs. P. A. Helms and family, Miss Dixie and Estelle French, Miss Irene Farnsworth, M. A., and Bobby Walker.

All enjoyed the evening and we wish Miss Nellie many more happy birthdays.
