The Golden Wedding of Mr. and Mrs. Vito Baklik was celebrated here August 6. Mr. Baklik was born in Czechoslovakia in 1857 and Mrs. Baklik was born in 1861. They were married in 1881. Ten years later this couple emigrated to America bringing with them 5 healthy children. The oldest of the children was eight while the youngest was three months. Six more children were born here in Lee county, four of the children have departed from them. There still remains a family of seven children, twenty grandchildren and five great grandchildren.

With the help of their children and grandchildren they celebrated their golden wedding anniversary. They invited only the nearest relatives, old settlers and those who have done things for them. Dinner and supper were served consisting of chicken, barbecue, salads, pies, cakes and cookies of every kind. This old couple received many beautiful presents including gold and silver pieces for which they are very grateful. They wish to thank everyone for their gifts and attendance. It made them very happy to be with their children relatives and friends. This will always be a lasting memory.
