45th Wedding Anniversary

A very happy event took place last Sunday in the home of our friend Mr. August Beisert in Löbau. It had been 45 years since Mr. and Mrs. Beisert got married. It had been Pastor Johann Kilian who performed the ceremony. Best wishes to this couple.

All preparations were done in secret and the surprise for this couple was huge. Almost all the children and grandchildren had come to congratulate their parents and grandparents. The little daughter of W. Liepke presented a poem which touched everybody.
