ZANDER - BENARD WEDDING

Judge Story was again called upon to say the words Monday afternoon about 2 o'clock that united Mr. Henry Zander and Miss Lem Benard as man and wife. The words were said in the private office of Judge Story and "Ye Editor" hapened to be in the office at the time and witnessed the affair. Judge Story spoke the words with his usual fitting and appropriate remarks and then congratulated the couple for having taken the step they had. Judge Story then asked "Ye Editor" to extend to the newly weds the right hand of much happiness, health and prosperity which was done. The couple then departed, both wearing a smile which could have been taken to mean as "Well done, thy faithful Servant." †

Miss Benard is the daughter of Mr. and Mrs. Ernst Benard, residents of Lee county living near Loebau, and one of the most highly respected families in our midst. Mr. Zander is well known to the many. He is and has been an employee at the Court House for some time. The couple are now residing in their home across the street from the jail where their many friends wish them all good wishes.
