PETERS—HARRISON

For some time there has been rumors of a wedding among the employees of the Grange Store, but these rumors did not materialize until Sunday afternoon at 3:30 o'clock, December 28th, when Mr. Albert Harrison and Miss Sydonia Peters quietly visited the home of Rev. W. W. Burr and came away man and wife.

A well-selected collection of wedding bells (?), and various threats of a shiveree made these young people exceedingly shy—hence the quiet visit to the parson. But in spite of their great timidity, they are a splendid young couple.

Both work at the Grange Store, and they have a wide circle of friends who will be glad to know that they will retain their respective places in the store and be able to meet their friends as usual.

They will do light-house-keeping at the Rutherford home.

The News wishes this young couple a long, happy voyage on their matrimonial sea.
