**SILVER
WEDDING ANNIVERSARY**

Saturday night, Nov. 29, Mr. and Mrs. Otto Kasper were very pleasantly surprised for their 25th wedding anniversary. It was all the more pleasant and real because of having been belated a few days, the actual date being Nov. 26. Whoever had planned the celebration, made the change to enable their married daughter Frances and her husband Herbert Mertink of Houston and also their oldest son Edward who serves in the army at Ft. Sam Houston and had only the preceding day come back to Texas from South Carolina to be present. Mr. and Mrs. Kasper said it was the greatest and most real surprise they ever had, since they had not the slightest knowledge of the plan. Luckily however, they soon got over the shock and everything went on in the best spirit. Cake and refreshments were served and the time passed all too fast. Pastor H. Schmidt delivered an appropriate talk to the celebrants.

Those present with their families were: Rev. H. Schmidt, Prof. L. O. Kasper, Aug. Kurio, Albert Weise, Gerh. Noack, Martin Symank, C. T. Kasper, Emil Zoch, Otto Gersch, C. W. Weise, Johnny Kubsch, August Kessel, Herman Droemer, Hy. Blasig; also Erich Gersch, Miss Minona Garrett, Walter Schulz, Albert Sager, Edward Kollman, Martin Fischer and Jesse Weise. All departed, wishing the couple many more happy years, and, with the will of God, to celebrate with them their golden wedding.
