**WARDA COUPLE OBSERVES
GOLDEN WEDDING**

Mr. and Mrs. H. Krakosky of the Warda community celebrated their golden wedding anniversary, with children, grand-children, and a host of friends present.

The house was beautifully decorated with gold flowers and fern. At 5 o'clock Rev. Paul Eifert addressed the couple after which a sumptuous barbecue dinner was served. Refreshments were also served at 9 o'clock.

The couple were the recipients of many beautiful gifts. A large wedding cake, beautifully decorated in white and gold, was made by Mrs. Theo. Krakosky, and placed in the center of the table in the reception room. On each side of the cake was a large and small white and gold candle burning.

Mr. and Mrs. Krakosky are highly respected citizens of the Warda community. The Giddings 'Star' joins their many friends in extending to them the best wishes for their future life.
