**NOACK - BOETTCHER**

Among the late marriage licenses issued is found that of Mr. August Noack and Mrs. Theresa Boettcher, whose wedding took place Tuesday. This couple is too well as citizens known to the people of Lee county for any comment. Mr. Noack is fortunate in more than one way, besides being fortunate in securing a wife, he is the owner of the property where the Giddings Oil, Gas and Development Co. have their derrick set and soon to begin drilling for oil. When oil is found he will then, no doubt, feel that life is worth living after all, if he has ever thought before that is wasn't.
