## Silver Wedding Observed Sunday

---

On Sunday May 24th Mr. and Mrs. Richard Hempel were agreeably surprised by relatives friends and neighbors, the occasion being their silver wedding anniversary.

Dinner and also supper was served the guests. Rev. Max Studtmann addressed the couple in the afternoon, reminding them of the manifold gifts which God had bestowed on them during the past 25 years and assured them of God's blessing in the future.

The parents were delighted that their son Harry who is employed as a stenographer at Ft. Sam Houston had come home for this occasion. Their other son Marvin is still at home with their parents.

Mr. and Mrs. Hempel, nee Annie Teinert were joined in wedlock 25 years ago by Rev. G. W. Fischer. They have since that time resided in Giddings where Mr. Hempel is in business.
