

Winchester

Mr. Will Reaves, late of Luling, has bought the Will Hart home and will move here soon. Mr. Hart will improve a home in the west-end of town—yes, Winchester is on a boom.

Mr. August Peter and Miss Josie Wolf were married at Austin last Sunday; they will make Winchester their home, where Mr. Peter is engaged in the mercantile business. We extend our congratulations to Mr. and Mrs. Peter.

Grasshoppers are destroying crops in various sections of this neighborhood, especially on Long Prairie and along the river.
