**LEE CO. BOY WRITES
FROM LEE CO., FLA.**

Dear Friend:

I am well, hope you are the same. I am in Fla. but still in dear old Lee County, because this county is also named Lee County. This is really a swell place. At night a beautiful moon, palm trees, orange and grapefruit groves. It is really a pretty sight at night. I also had a swell trip down here. We followed the Gulf a long ways and crossed parts of it in places. It really is hot in the day time. But the nights are really cool. Tell everyone hello for me.

Your Friend,
Albert Kuehn.
