**Pvt. Francis Lara  
Participates in Atom  
Tests in Nevada**

Private Francis Lara telephoned his sister, Miss Delores Lara of Brenham, that he had returned safely from the atomic bomb experiments in Nevada where he participated in the recent army maneuvers. He is now stationed again at Fort Bliss, El Paso.

Private Lara, son of Mr. and Mrs. Jim Lara of Giddings, entered the army in January and is serving in an artillery unit. Prior to his being transferred to El Paso he visited his sister in Brenham. His family had no knowledge of his taking part in the bomb experiments in Nevada and were very delighted to learn he came through safe and unharmed.
