OPINION COLUMN

Dear Sir:

Like it fine up here, that is, all except the weather. It has been extremely cold here for a week. Sunday morning (Nov. 29th) the temperature was 12 below zero. At present it is 21 above with thirteen inches of snow covering the ground. The worse part of the whole thing is being so far from dear old Giddings. It really gets lonesome. Sure would like to hear more from the people of Giddings. Letters and News are the best morale builders and help a whole lot to quench that lonely feeling.

Very truly yours,
Staff Sergeant Lee R. Toppel,
Headquarters Btry 2d Div. Arty.
A. P. O. No. 2
Camp McCoy, Wisconsin.

P. S.: Am sending a copy of the camp paper, it has an article that may be of interest to the readers of the News.
