August Beisert and wife, accompanied by Ed. Knippa and Ewald Becker returned Wednesday from an auto trip to Bishop, Texas. They were in attendance upon the 50th wedding anniversary of Mr. and Mrs. John Sohns, former residents of Lee County. Their many friends will be glad to learn that they are both enjoying good health; he is in his 79th year and she is in her 75th year. August says that section of the state is very dry, no rain in two months, corn crop cut rather short, but cotton is already made at one half bale per acre.
